

Curriculum Vitae

Personal Informations:

Name: Fadil Mohsen Hamed

Surname: Alhussainy

Address: Iraq , Thi-Qar , AL shattrah

Occupation: College Lecturer

Tel: 07815600047

Email: fadilmohsen@utq.edu.iq , dr.fadel2012@gmail.com

Nationality: Iraqi

Date of birth: 24 April 1975

Place of Birth: Thi-Qar , AL shattrah

Marital status: Married

Education

BSc. Pharm. (college of pharmacy/Baghdad University/ 2001)

M.Sc. Pharm. (Pharmaceutical Chemistry / College of pharmacy/ Baghdad University/ 2012)

Ph.D. Pharm. (Pharmaceutical Chemistry / College of pharmacy/ Baghdad University 2017)

lecturer at the University of Thiqr since 2012

Training , Managements and Work Experiences:

- 1- Clinical pharmacist (Training at Alkindy teaching hospital from 2001 to 2002 (6 months)
- 2- Clinical pharmacist at Ibn Al nafees teaching hospital (6 months)
- 3- Clinical pharmacist at Elweya Teaching Hospital for maternity (3 months)
- 4- Researcher assistant in pharmacology , pharmacognosy and clinical pharmacy labs. in Al kufa university –college of pharmacy from 2002 to 2005.
- 5- Researcher assistant at The university of Thi-Qar /college of medicine from 2005 to 2012
- 6- Lecturer in Pharmacology department/ College of Medicine/ The university of Thi-Qar for one year .
- 7- member of the examination committee in college of medicine from 2006 to 2009
- 8- Lecturer and assistant of Head of Dep. of pharmaceutical chemistry in College of pharmacy. University of Thi-Qar
- 9- Head of Department of pharmaceutical chemistry and member in the College council /College of Pharmacy/ University of Thi-Qar / 2012-2014.
- 10- Lecturer of Medicinal Chemistry (theory and practice) in College of Pharmacy/ University of Thi-Qar / since 2012.
- 11- Supervisor on graduation projects in college of pharmacy / University of Thi-Qar since 2017.
- 12- dean assistance for scientific affaire / college of pharmacy /university of The-qar for from 2017 to 2021.
- 13- member of the examination committee in college of pharmacy from 2018 to 2020

- 14- Head of dep. of clinical and laboratory science from(2019- 2021).
- 15- Head of department of pharmaceutical chemistry since 2021.
- 16- Head of department of pharmacognosy since 2022.
- 17- member in Iraqi syndicate of teachers.
- 18- Representative in Iraqi pharmacists syndicate in Thi-Qar pharmacists syndicate since 2012

Prices and Awards:

1. Grateful 15 letters granted from the Chairman of The university of Thi-Qar and 8 from Ministry of Higher education and scientific research and 18 from deans of colleges of medicine, pharmacy (Universities of Kufa and Thi-qar.)
2. Certificate of participation in symposium of pharmacognosy arranged by College of pharmacy/ University of Thi-Qar
3. Certificates from the Dean of pharmacy/AL Kufa University..
4. Certificate of laboratories quality and administration/College of sciences - University of Thi-qar.
5. Certificate in attendance of medical conference in al basra 2018.

Recent Courses and Activities:

1. Seminar about anticancer drug development / 2008.
2. Seminar about ascorbic acid production by biotechnology/ 2016
3. Workshops about covid-19 awareness
4. Member of the Scientific Committee of the University of Thi-qar Conference with the Swedish Association.

Published Researches:

- Synthesis of 2,3- Dihydro-1,4-napthaquinone Derivatives for Targeting The Altered Cancer Cells Metabolism / *journal of Advances in Chemistry/ 2013.*

- Phytochemical and Antimicrobial Study of Acetone Extracts of Menthe and Olive Leaves / *The journal of research on the Lepidoptera* / 2019.
- Design and antibacterial activity of 3,6 -diphenyl-1,5,6,7,8,8a hexahydro[1,2,4]triazolo[4,3-b][1,2,4,5]tetrazine as fused heterocyclic compounds / *Biochem.Cell.Arch* /2020.
- Synthesis and antibacterial evaluation of 1, 3, 4 thiadiazole containing 1, 3, 4-oxadiazole bearing schiff bases / • *International journal of pharmaceutical research* /2018
- Maceration Techniques Extraction Of Thymus Vulgaris And Laurel (Laurus Nobilis) Leaves With Antibacterial Study Plant Archives / 2019.
- The non- antimicrobial activity of sulfonamide derivatives.(review)/*AL Itruha journal* 2019.
- The antitumor activity of sulfonamide derivatives.(review). *International Journal of Pharmaceutical Research. 2020*
- Phytochemical screened, characterization and antibacterial activity of hesperidin and hesperidin extracted and isolated from dried orange peels, *International Journal of Research in Pharmaceutical Sciences. 2018.*
- Review of Histone deacetylase (HDAC) inhibitors in treatment of chronic diseases, *International Journal of Pharmaceutical Science and Research* 2021
- Green Chemistry. Review, *EFFLATOUNIA* ,2021
- Phytoconstituents Screened of Grapefruit Peels with Antimicrobial Properties of Naringin and Naringenin Extracted and Isolated from its, *Annals of R.S.C.B*, 2022

Personal skills and Competences:

Mother language: Arabic

Other languages: English

Computer Skills and Competences:

IC3 certificate in computer usage/2015.

Certificate from kufa university in computer applications/2005

certificate from college of science/ University of Thi-qar /2008. in computer applications

English language certificate from kufa university

Interests and Hobbies:

Football and reading the scientific books.
